

Battery Testers

Automotive Battery System Tester

Model: 3012 3013

Features

Model	3012	3013
Indication	---	3-Color LED lights
Display	LCD	LCD
Test leads length	850mm	850mm
Overvoltage protection	√	√
Polarity reverse protection	√	√

Specifications

Model	3012/3013
Battery type	12V storage battery
CCA (Cold Cranking Amps)	100~1700
IEC	100~1000
EN	100~1700
DIN	100~1000
Working voltage	9V ~ 18V
Internal resistance	0.00~99.99mΩ
Storage battery test	√

General Information

Model	3012/3013
Product Size	140mm*80mm*30mm
Product Weight	300g
Standard Accessories	Manual
