

GT SONIC-R Series Heating Function Digital Ultrasonic Cleaner

In addition to the heating function common in the market, P series also has degas function. This can greatly improve the cleaning efficiency and effect. It also has multiple capacities to choose, ranging from 2L to 27L.

Features

1. Degas function to improve the cleaning effect
2. Time Setting: 1-99 adjustable
3. Heating: 20-80°C temperature adjustable
4. Digital display, power-off memory function, simple use
5. LED display for temperature and time
6. With sound proof lid and SUS304 basket
